

2nd Grade Memory Work

Parents,

Each 2nd Grader will have a spiral book in the classroom where they can review and keep track of memory work. This will go home with them at the end of the school year.

Teachers will allow time in class for kids to work on and recite their memory work, but working on it at home will aid this process and make their faith more a part of their everyday lives.

To get the **reward book** for this grade, children must memorize 10 of the memory verses. There is a special end-of-year reward for memorizing everything on the checklist!
